Subject: Proclamation - MS Society - May as MS Awareness

Mayor Jack Froese and Council
 20338- 65 Avenue
 Langley, BC V2Y 3J1

April 2019

Dear Mayor Jack Froese:

May is MS Awareness Month.

Members of the Coastal Regional Chapter of the MS Society of Canada urge you to proclaim the month of May as MS Awareness Month in Langley in order to call attention to the exemplary efforts of the 100,000 Canadians who live every day with the challenge of this neurological disease. BC has the third highest concentration of people with MS in Canada.

A sample proclamation is enclosed for your consideration.

Since our founding in 1948, the Multiple Sclerosis Society of Canada has been a leader in funding vital MS research into the cause, prevention and treatment of MS while providing services and support to people with MS and their families. The MS Society is proud of the work and contribution that our supporters and members continue to make to communities across BC.

We hope that you would also consider hoisting the MS Society flag to celebrate May as MS Awareness Month. Through the combined efforts of people across Canada in towns such as Langley, the MS Society is able to bring hope for an end to MS.

Sincerely,

Adrienne Boothroyd
