Dear Mayor and Council

I am writing this letter on behalf of the Murrayville Rental Housing project in support of the Langley Memorial Hospital Foundation.

We would like to thank Council and your staff for helping us bring this project to our recent start of construction. The process was helped immensely by the professionalism of staff as we went through all the necessary steps which ultimately led to Council giving our project final approval. As you know our goal is to finish the project as soon as we can so it can generate ongoing revenue to the Hospital Foundation for its important work in improving the health care for our community and its citizens.

To that end, and with our effort to keep our costs as low as possible, we would request that Council consider providing our project relief of the \$50.00 per day charge for our temporary use of water, under Bylaw No. 4697, until such time as we finish our permanent hookups and infrastructure. We estimate that the temporary usage will be approximately seven months, which will equate to a cost of \$10,500.00.

Thank you for your consideration of this request.

Sincerely
Murrayville Rental Housing LP

H. Peter Fassbender
Chair
