June 25, 2018

(Council meeting date requested)

at the ▶

4:00pm Regular Afternoon Meeting

7:00pm Regular Evening Meeting

Name of delegate or organization wishing to appear

Allen Hoolaeff

1 Topic

The topic of discussion is (be specific, provide details, and attach additional information, if required)

I will be discussing the objective research regarding these types of projects and the positive outcomes to the community and community resources such as crime, health. I will be bringing forward examples of those who have benefited from outreach and housing and how it has affected their lives: detox, treatment and furthering their education to become productive members of society rather than being prolific offenders or nuisances to their community

2 Additional Information

Purpose of presentation

Information only Request letter of support Request funds Other

Desired resolution

Change public perception about housing the homeless, encourage vote on this project before election

Activities to date relative to the matter

There has been public consultation and prior council meetings discussing this topic
