ZONING BYLAW NO. 2500

REFERENCE:

Owner:	381282 BC Ltd. 3227 – 264 Street Langley, BC V4W 2X3
Legal Description:	Lot 3 Except: Part Within Red Outline Taken by Highway Statutory Right of Way Plan 50217 Section 25 Township 10 NWD Plan 9768
Location:	3227 – 264 Street
Area:	1.8 ha (4.4 ac)
Existing Zoning:	Comprehensive Development Zone CD-35/ General Industrial Zone M-2
Proposed Zoning:	Amended Comprehensive Development Zone CD-35/ General Industrial Zone M-2
Aldergrove Community Plan:	Commercial

BACKGROUND/HISTORY:

In 2000, the subject property was rezoned from General Industrial Zone M-2 to include Comprehensive Development CD-35 on a portion of the site to accommodate a limited number of commercial and industrial warehouse uses on site. As a result, the property became 'split zoned'. In May 2008, the CD-35 zone was amended to allow for financial institutions, offices, professional and medical buildings as well as the C-3A uses to the list of permitted uses to broaden the number and type of commercial uses permitted.

DISCUSSION/ANALYSIS:

The subject 1.8 ha (4.4 ac) site located at 3227 – 264 Street is a 'split zoned' property currently zoned Comprehensive Development Zone CD-35 (south portion) and General Industrial Zone M-2 (northwest portion). The site is designated Commercial (south portion) and Industrial (north west portion) in the Aldergrove Community Plan. Jack Dhaliwal (on behalf of 381282 BC Ltd.) has applied to rezone the southern 1.28 ha (3.17 ac) portion to allow for additional commercial uses than currently permitted by the existing Comprehensive Development Zone CD-35 zoning. The addition of Community Commercial C-2 zone uses allows the applicant commercial, licensee retail store, group children's daycare and hotel uses not currently permitted in the CD-35 zoning.

The subject site contains self storage units on the northern portion of the property zoned General Industrial Zone M-2 and a multi-tenant building on the southern portion of the site zoned Comprehensive Development Zone CD-35. No exterior changes to the building are proposed at this time. Surrounding uses include:

North: The remainder of the site housing mini storage facilities (zoned General Industrial M-2) beyond which is two properties zoned General Industrial Zone M-2, designated Industrial in the Aldergrove Community Plan;

- South: A property zoned Service Station Zone C-6 designated Commercial in the Aldergrove Community Plan and a property zoned General Industrial Zone M-2, designated Industrial in the Aldergrove Community Plan beyond which is Fraser Highway;
- East: 264 Street (Highway #13) beyond which are several properties zoned Residential Zone R-1B, designated Low Density Residential in the Aldergrove Community Plan; and
- West: Two properties zoned General Industrial Zone M-2, designated as Industrial in the Aldergrove Community Plan.

Aldergrove Community Plan

The portion of the subject site is proposed to be rezoned is designated Commercial in the Aldergrove Community Plan. Section 2.0 Commercial Areas of the plan states “the commercial land use designation shall be a concentration and efficient integration of retail, service, cultural and recreation uses within a central core providing for the basic needs of the Aldergrove Urban Community”. The proposed amendments to add all uses permitted in the Community Commercial C-2 Zone to the Comprehensive Development Zone CD-35 is consistent with the Commercial land use designation.

Public Information Meeting

Given the application’s consistency with the Township’s Official Community Plan and Aldergrove Community Plan and its compatibility with industrial uses, the requirement for the applicant to hold a public information meeting pursuant to Section 4.1 of the Developer Held Public Information Meeting Policy has been waived. Staff note that should Council advance the subject application, a Public Hearing will be required with notification including newspaper advertisement, mail-outs, and on-site signage consistent with Provincial statute as well as Township bylaws and policy.

Servicing:

As full urban services exist to the subject site, there are no servicing related requirements for this rezoning application.

Intergovernmental Implications:

As the subject site is located within 800 m of a controlled access highway (Highway #13), approval of the rezoning bylaw by the Ministry of Transportation and Infrastructure is required prior to Council’s consideration of final reading.

POLICY CONSIDERATIONS:

The proposed amendments to the Comprehensive Development Zone CD-35 are consistent with the Aldergrove Community Plan. Accordingly, staff recommend that Council give first and second reading to Bylaw No. 5404
