#### **EXECUTIVE SUMMARY:**

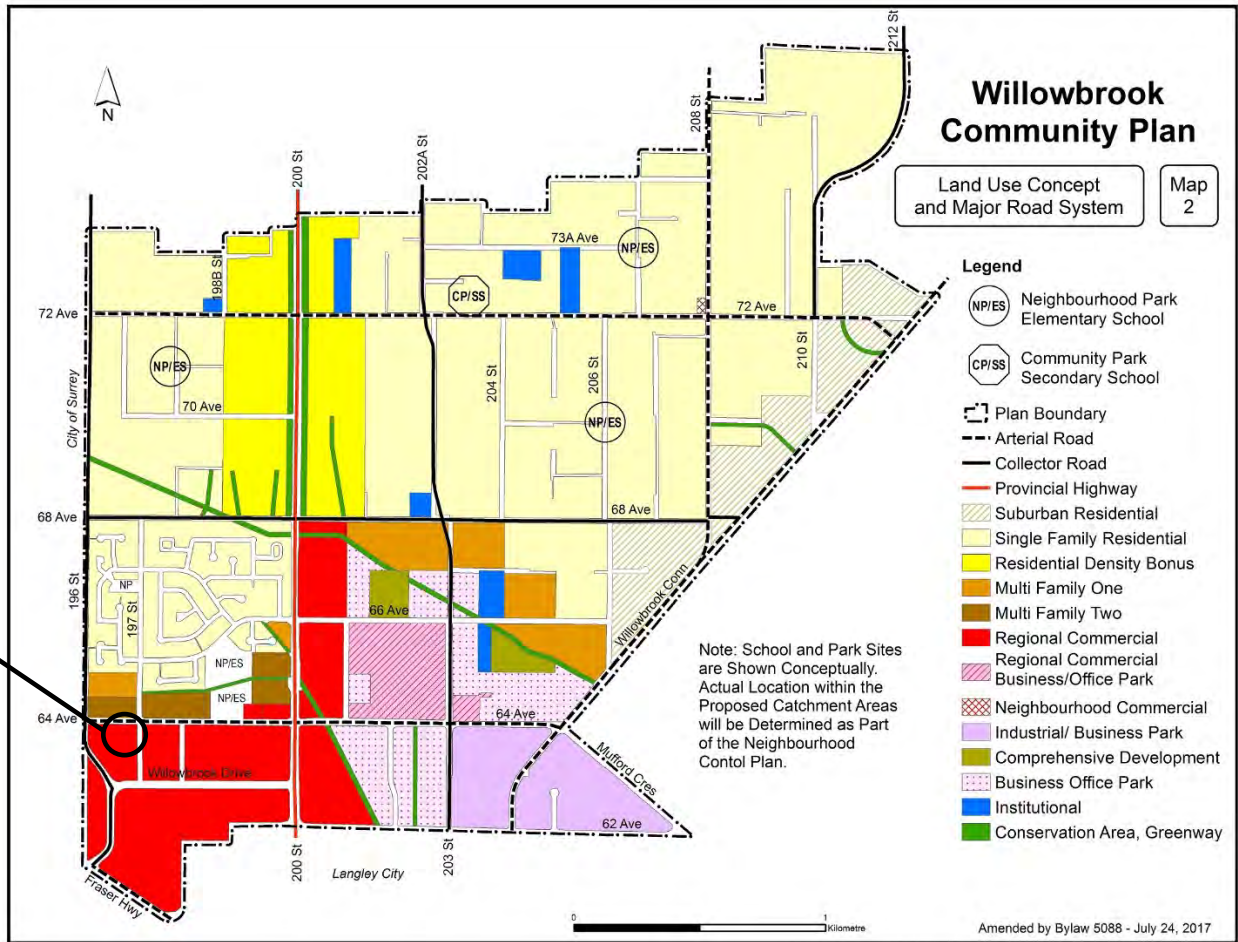

Aplin & Martin Consultants Ltd. has applied on behalf of Jackpot Properties Ltd. to discharge Land Use Contract No. 74, amend the Willowbrook Community Plan to include brewing and distilling uses in the Regional Commercial land use designation, and to amend Regional Commercial Zone C-1 to allow brewing and distilling uses on a portion of a 0.52 ha (1.28 ac) site located at 19664 – 64 Avenue. The property is also proposed to be designated a mandatory Development Permit Area to provide Council the opportunity to review the form, character and siting of any future development.

1165774 BC Ltd. has made an application to Council to endorse a new brewery lounge for Camp Beer Company located at 19664 – 64 Avenue. The proposed brewery lounge will serve as an accessory use to the proposed brewery located on the subject site. Although the issuance of brewery licences is a Provincial jurisdiction, the Provincial Liquor & Cannabis Regulation Branch provides Council with the opportunity to “endorse” or “not endorse” applications for a brewery lounge. Council (through its Liquor Licencing Policy) has chosen to participate in the endorsement process involving lounge endorsements to existing manufacturer licences. Accordingly, Council may consider the public input prior to consideration of the endorsement request.

#### **PURPOSE:**

The purpose of this report is to provide Council with information and recommendations with respect to Land Use Contract Discharge Bylaw 2018 No. 5431, Willowbrook Community Plan Amendment Bylaw No. 5432, Rezoning Bylaw No. 5433, and the endorsement request for a new brewery lounge (indoor and outdoor) for Camp Beer Company located at 19664 – 64 Avenue.

#### BACKGROUND / HISTORY:

The subject site is designated Regional Commercial in the Willowbrook Community Plan and is currently governed by Land Use Contract 74. A Land Use Contract (LUC) is a mechanism to govern land use matters (as an alternative to a Zoning Bylaw) which was enabled by the province through the Municipal Act for a limited time period in the mid 1970's. Land Use Contract (LUC) No. 74 was adopted by Council in 1974. The LUC regulates items such as permitted uses, lot size and setbacks in a manner similar to a Zoning Bylaw.

In the late 1970's the province amended the Municipal Act to eliminate the LUC provisions, resulting in all future land use matters being regulated by Zoning Bylaws. In 2014, the province adopted amendments to the Local Government Act, which require the termination of existing LUC's by June 30, 2024.

A Building Permit was issued in February 1981 for the construction of a commercial recreation building on the subject site. In 1992 the building was renovated to accommodate a bingo hall. A Building Permit was issued in 2018 in compliance with Land Use Contract No. 74 to facilitate exterior renovations to the existing building. Upon completion of the renovations, the building will include office space, a restaurant, and commercial retail units. As indicated on the site plan and detailed on Attachment B, the subject brewery and associated lounges are proposed to occupy a 356 m<sup>2</sup> (3,831 ft<sup>2</sup>) southwest portion of the overall 2,335 m<sup>2</sup> (25,139 ft<sup>2</sup>) building (Attachment B).

As Land Use Contract No. 74 does not allow brewery uses in the Service Commercial designation, the applicant has applied to discharge Land Use Contract No. 74 from the property. Following the discharge of Land Use Contract No. 74, the site will be subject to its “underlying” Regional Commercial Zone C-1. As the Regional Commercial Zone C-1 does not currently permit a brewery or distillery as a use, an amendment to the Zoning Bylaw is required.

1165774 BC Ltd. has applied to the Provincial Liquor & Cannabis Regulation Branch for a new manufacturing brewery licence (including a tasting area) and a brewery lounge endorsement within an existing building located at 19664 – 64 Avenue. As indicated on the floor plan (Attachment B), the manufacturing area is located adjacent to the lounge area, tasting area, and office space in the southwest portion of the building. The outdoor lounge (patio) is located immediately south of the building. A tasting area allows the manufacturer to serve samples to the public for a charge or no charge, but samples are limited to 375 ml per patron per day for beer. An on-site store area allows the public to purchase the manufacturer’s liquor directly from the manufacturing site. A lounge area allows patrons to purchase and consume products produced on the premises (in addition to the samples allowed in the tasting area). In this case, the indoor lounge area overlaps the tasting and on-site store area.

Pursuant to the Provincial Liquor Control and Licensing Regulation, the Liquor & Cannabis Regulation Branch does not provide Council with an opportunity to “endorse” or “not endorse” applications for new brewery and/or distillery (manufacturer) licence or on-site retail stores where the manufacturing use is permitted under municipal zoning. The Liquor & Cannabis Regulation Branch, however, is required to provide Council with the opportunity to “endorse” or “not endorse” applications for a lounge endorsement.

The subject 1165774 BC Ltd. lounge endorsement request is being considered pursuant to Policy No. 07-407 - Liquor Licencing Policy (Attachment A). The policy requires Council to hold a “Liquor Licencing Hearing” prior to it considering endorsement (to the Liquor & Cannabis Regulation Branch) of the request for a lounge endorsement.

#### **DISCUSSION / ANALYSIS:**

Jackpot Properties Ltd. has applied to discharge Land Use Contract No. 74, amend the Willowbrook Community Plan to include brewing and distilling uses in the Regional Commercial land use designation, and to amend Regional Commercial Zone C-1 to allow brewing and distilling uses on a 0.52 ha (1.28 ac) site located at 19664 – 64 Avenue. The property will also be designated a mandatory Development Permit Area to provide Council the opportunity to review the form, character and siting of any future development.

1165774 BC Ltd. has also made an application to Council to endorse a new brewery lounge for Camp Beer Company located on the subject site. The proposed brewery lounge will serve as an accessory use to the brewery being proposed on the site. Although the issuance of brewery licences is a Provincial jurisdiction, the Provincial Liquor & Cannabis Regulation Branch provides Council with the opportunity to “endorse” or “not endorse” applications for a brewery lounge. Council (through its Liquor Licencing Policy) has chosen to participate in the endorsement process involving lounge endorsements to existing manufacturer licences. Accordingly, Council may consider the public input prior to consideration of the endorsement request.

The proponent therefore has also made application to Council to endorse the brewery lounge. The applicant has requested a person capacity of 110 persons (55 person indoor lounge, 55 person outdoor patio). The requested hours of operation are from 10:00AM to 12:00AM

seven days a week. Minors are permitted in the brewery lounge when accompanied by a parent or guardian. Food and non-alcoholic beverages must be available in the brewery lounge.

The applicant has provided a letter of intent which includes a description of the brewery lounge endorsement application (Attachment C). The following are excerpts from this letter:

*The CAMP Beer Company is a small neighbourhood brewery servicing primarily people within a 15 minute drive of the location. The address is 19664 64th Avenue near Willowbrook Shopping Centre. We will however, encourage people from neighbouring communities and tourists to Langley and the Fraser valley to visit. We hope our unique location and quality product will continue to promote the craft tourism industry within Langley and be an added asset to the community.*

*The purpose of the lounge endorsement is to provide a relaxed and casual environment to watch and learn about the unique processes of the craft beer industry while enjoying a small batch, local craft beverage. The space will be open and inviting with an outdoorsy recreational vibe.*

*This is in a primarily commercial district with commercial enterprises to the east, south and west. There is residential to the north but we are on the south facing side of our building and there are other businesses and 64th avenue between us. Most of the surrounding business operates primarily during the day and our impact to them should be minimal.*

*The potential for noise should also be considered minimal. The brewery itself does not generate much noise and the number of guests limits the potential for noise more than at loud conversational levels. There will be music being played, but as a background and at a level to not drown out conversation. On occasion there may be live music, but this would consist of a small group of local artists and be concluded by 11:00 PM.*

*The primary food offerings will be prepared by the restaurant next door. Other mason jar style snacks will also be provided. Non-alcoholic beverages will be available and consist of kombucha and flavoured craft sodas. This is a brewery first and a gathering location for locals to enjoy a few glasses of craft beer.*

*The patio area will provide an area to unwind and enjoy a cold beverage on nice days. This is a family friendly environment and children accompanied by adults will be a common occurrence. There will be picnic style seating and the area will be enclosed by a 6' fence and year round landscaping. There will be a small gas fire pit structure and games of bean bag toss, giant Jenga and cards.*

*We believe the CAMP Beer Company will have a positive effect on the community and provide a gathering place for locals. Surrounding business should only benefit and we will strive to be an asset to the area. Our initial feedback on creating another small craft brewery in the area has been very well received and the excitement has been very encouraging.*

#### **Adjacent Uses:**

- North: 64 Avenue, beyond which are properties designated Multi Family Two in the Willowbrook Community Plan and zoned Multiple Family Residential Zone RM-3 and Comprehensive Development Zone CD-22;
- South: Properties designated Regional Commercial in the Willowbrook Community Plan and currently designated Service Commercial in Land Use Contract No. 74;
- East: 197 Street, beyond which are properties designated Regional Commercial in the Willowbrook Community Plan and currently designated Service Commercial in Land Use Contract No. 74; and
- West: Properties designated Regional Commercial in the Willowbrook Community Plan and currently designated Service Commercial in Land Use Contract No. 74.

#### **Willowbrook Community Plan Amendment:**

The subject site is designated Regional Commercial in the Willowbrook Community Plan. Section 3.3.1 of the Willowbrook Community Plan provides the following with respect to permitted uses in the designation: “Retail and office commercial development shall be permitted in the areas designated Regional Commercial.” The Regional Commercial designation does not include breweries (light manufacturing) as one of the uses. Bylaw No. 5432 proposes to add “brewery or distillery including lounge area subject to the Liquor Control and Licensing Act” as a use on the subject site in the Willowbrook Community Plan’s Regional Commercial designation. The property is also proposed to be designated a mandatory Development Permit Area to provide Council the opportunity to review the form, character and siting of any future development.

The applicant has provided a rationale for the proposed amendment to the Willowbrook Community Plan (Attachment D), quoted below:

*The subject site is designated as “Regional Commercial” in the Willowbrook Community Plan which permits retail and office commercial uses. This designation does not include manufacturing or light manufacturing uses which characterizes brewing. Although brewing is not specifically permitted in the Willowbrook Community Plan, we believe that the proposed use fits the spirit of the “Regional Commercial” designation.*

*Section 3.3.2 states: Commercial areas on 200 Street between 64 and 66 Avenues are intended to be planned and designed as an integrated development.*

*The proposed site plan will fit into the context of the surrounding buildings. The proposal is to retain all tree buffers along 64 Avenue as well as provide additional tree planting between the existing parking stalls. The existing commercial building has an approved Building Permit and is currently undergoing building envelope upgrades which will dramatically improve the exterior of the building from what was once a Bingo Palace. The new cladding will be a welcome improvement to the building and will help elevate the aesthetic of the whole commercial block.*

*According to Section 1.3: “Retail and service commercial activities are encouraged to locate in the southern part of the plan area to concentrate commercial activity and contribute to the development of a regional centre.” And “The northern portion of the plan area will be developed for residential uses, including multi-family housing.”*

*The proposed brewery is located at the edge of the commercial designation immediately adjacent to the residential uses on the north side of 64 Avenue and provides an appropriate transition between the two land uses. The brewing has very low loading, trucking and parking requirements when compared to other commercial uses (such as assembly hall, child care or medical clinics). Brewing will be quiet, odours from vapour will be condensed and contained, and there will be no outdoor storage permitted, ensuring the brewery is a good neighbour to the adjacent multi-family housing.*

*The tasting room associated with the brewery will serve as a community gathering space within walking distance of hundreds of homes in Langley and Surrey. The intention of CAMP is to create a relaxed and family-friendly environment with picnic style seating, small gas fire pit structure and games of bean bag toss, giant Jenga and cards.*

Staff are supportive of the proposed plan amendment as the manufacturing component of the brewery is self-contained and the lounge component contributes to the development of a regional centre as contemplated in Section 1.3 of the Plan.

### **Zoning Bylaw:**

Should Council approve the discharge of Land Use Contract No. 74 from the subject site, the site will be subject to its “underlying” zone (Regional Commercial Zone C-1). Regional Commercial Zone C-1 permits the following uses:

- 1) accessory buildings and uses
- 2) assembly uses
- 3) commercial uses
- 4) group children’s day care
- 5) highway commercial uses
- 6) licensee retail store subject to the provisions of the “Liquor Control and Licensing Act” and Regulations pursuant thereto

- 7) liquor primary use subject to the provisions of the “Liquor Control and Licensing Act” and Regulations pursuant thereto
- 8) refund container return centre up to a maximum size of 280 m<sup>2</sup> (3,000 ft<sup>2</sup>)
- 9) service station, gas bar and vehicle servicing

As a brewery (manufacturing) is not a permitted use in the Regional Commercial Zone C-1 the applicant has applied to amend the C-1 zone to permit breweries.

Under Land Use Contract No. 74, the site requires 78 parking spaces. Under the parking requirements of Section 107 of the Township of Langley Zoning Bylaw, the subject site will require 78 parking spaces in total. Upon the inclusion of parking lot landscaping, in accordance with Section 111.4 of the Township of Langley Zoning Bylaw, the site will accommodate 79 parking spaces, more than required by the Zoning Bylaw.

#### **Liquor Licencing Policy:**

Council adopted its Liquor Licence Endorsement Policy in 2004, and approved revisions to the policy in 2017 (Attachment A). The policy requires that Council be consulted with respect to applications to add a lounge endorsement to a new or existing Manufacturer Licence. It also requires Council to hold a “Liquor Licencing Hearing” when it considers an endorsement request.

#### **Liquor & Cannabis Regulation Branch Application Summary:**

The proponent has submitted an application for a new brewery lounge to the Provincial Liquor & Cannabis Regulation Branch (Attachment C). According to Liquor & Cannabis Regulation Branch regulations, the resolution is to comment on the following criteria:

- a) the impact of noise on the community in the immediate vicinity of the location of the service area under the endorsement
- b) the general impact on the community
- c) the view of residents
- d) the Local Government recommendations and the reasons on which they are based

The proponent’s application form to the Liquor & Cannabis Regulation Branch, including a letter of intent (Attachment C), provides more detailed information with respect to the proposal.

#### **Locational Criteria for Brewery Lounge Area Endorsements:**

Council’s Liquor Licencing Policy contains locational criteria intended to guide consideration of “Liquor Primary” endorsement requests. The Policy, however, does not contain any locational criteria for brewery-related endorsement requests.

#### **Servicing:**

Full urban services exist to the subject site.

#### **Intergovernmental Implications:**

As the subject site is located within 800 m of a controlled access highway (Highway 10), approval of the rezoning bylaw by the Ministry of Transportation and Infrastructure (MOTI) is required prior to Council’s consideration of final reading.

### **RCMP Comments:**

RCMP comments are provided as Attachment E to this report.

### **Public Information Meeting:**

As per Policy No. 07-164, the applicant held a public meeting on November 6, 2018. Sixteen (16) people signed in at the Public Information Meeting. Results of the Developer Held Public Information Meeting were compiled and are provided on Attachment F.

### **Official Community Plan Consultation Policy:**

Council's Official Community Plan Consultation Policy requires Council to consider the OCP amendment in conjunction with the financial plan and any applicable waste management plan. Staff recommend that Council consider the proposed OCP amendment consistent with the Township's financial plans (both operating and capital) and Metro Vancouver's waste management plans.

### **POLICY CONSIDERATIONS:**

The discharge of Land Use Contract No. 74, proposed amendments to the Willowbrook Community Plan and Regional Commercial Zone C-1 comply with the overall goals of the Willowbrook Community Plan. Accordingly, staff recommend that Council give first and second reading to Bylaws No. 5431, 5432, and 5433, authorize staff to schedule the required public hearing, and that Council consider the request to endorse the brewery lounge application including input received at the "Liquor Licencing Hearing" in accordance with Council's Liquor Licencing Policy.

Although the issuance of Liquor Licences is a Provincial jurisdiction, the Provincial Liquor & Cannabis Regulation Branch provides Council with the opportunity to "endorse" or "not endorse" applications for a brewery lounge. Council (through the Liquor Licencing Policy) has chosen to participate in the endorsement process as it pertains to applications to add a lounge endorsement to an existing Manufacturer Licence.

Pursuant to Council's Liquor Licencing Policy, staff will advertise the proposal in area newspapers and mail out notices to nearby residents for a "Liquor Licencing Hearing." Providing an opportunity for public comment is consistent with Provincial Liquor & Cannabis Regulation Branch requirements.

Following the "Liquor Licencing Hearing," Council has the option of endorsing the application as submitted; endorsing the application subject to conditions; or not endorsing the application. Assuming Council is supportive of the application, the resolution must be consistent with Liquor & Cannabis Regulation Branch requirements. Accordingly, a resolution similar to the following will need to be adopted.

### **Required Council Resolution:**

In accordance with Liquor & Cannabis Regulation Branch requirements, subsequent to the Liquor Endorsement Hearing it is recommended that Council adopt the following resolution:

OFFICIAL COMMUNITY PLAN AMENDMENT AND  
 REZONING APPLICATION NO. 100169;  
 BREWERY LOUNGE ENDORSEMENT APPLICATION NO. 000040  
 (JACKPOT PROPERTIES LTD. / 19664 – 64 AVENUE)  
 Page 14 . . .

*“That Council has considered and ENDORSED the request by 1165774 BC Ltd. to locate a 110 person brewery lounge (55 person interior and 55 person patio) serving the Camp Beer Company located at 19664 – 64 Avenue, Langley, characterized as having liquor service from 10:00AM to 12:00AM seven days a week.*

*In ENDORSING this request, Council deems that it has considered and found acceptable the location of the brewery lounge; the proximity of the brewery lounge to other special or recreational facilities and public buildings; the person capacity of the brewery lounge; the hours of liquor service of the brewery lounge; potential traffic, noise and parking impacts; zoning; and the impact on the community if the application is approved.*

*In ENDORSING this request, Council has considered the views of area residents expressed to Council at a Liquor Licencing Hearing held on December 3, 2018 at the Township of Langley Civic Facility (Fraser River Presentation Theatre), 20338 – 65 Avenue, Langley, BC, the minutes of which and written submissions provided by the public being attached to this resolution.*

*ENDORSEMENT of this request is subject to compliance with Municipal Bylaws and Policies and Liquor Control and Licensing Act Regulations.”*

Council may, of course, add to or expand upon the items referenced in the resolution, however, according to the Liquor & Cannabis Regulation Branch, all items in the resolution must be referenced.

Respectfully submitted,

Joel Nagtegaal

## **5. Review and Consideration**

- 5.1 Notice of a Liquor Licence application received pursuant to Section 4.2 above:

- 5.1.1 will first be referred to the Township's Fire, Engineering, and Permit, Licence and Inspection Services Departments, the R.C.M.P, and other relevant outside agencies, to obtain comments in respect of the application; and
  - 5.1.2 will subsequently be submitted to Council to obtain Council's comments and recommendations in respect of the application.
- 5.2 Notice of a Liquor Licence application received pursuant to Section 4.2 must include a "public consultation process", either in conjunction with an accompanying rezoning, development permit or development variance permit application, or, if a rezoning/development permit/development variance permit is not required, in accordance with the rezoning "public process" which includes individual hearing notice mail outs, newspaper notice and a "Liquor Licencing Hearing" where affected persons may express their views to Council.
- 5.3 Licencing Bylaw 2016 No. 5192 prohibits exotic performances in all Liquor Licence establishments, except in a hotel holding a valid and subsistent Class "A" Liquor Licence issued on or before December 16, 1991.
- 5.4 In considering whether to recommend the rejection or approval of an application for a new or relocated Liquor Primary Licence to the LCLB, Council will consider the following locational criteria:
  - 5.4.1 Generally, a new or relocated Liquor Primary establishment should not be located within 0.5 km of an existing or proposed elementary school, secondary school, church, neighbourhood park, or sub-neighbourhood park. This distance may be revised by Council if the establishment is located within a community centre or other facility owned or operated by or on behalf of the Township, or if Council otherwise considers that there are reasons which would merit a departure from this general rule.
  - 5.4.2 Generally, a new or relocated Liquor Primary establishment should not directly abut single or multi-family residential uses or zones, or existing or proposed park sites, unless adequate buffer mechanisms are incorporated into site development plans specifically approved by Council as part of a rezoning or development permit process, or if Council otherwise considers that there are reasons which would merit a departure from this general rule.
  - 5.4.3 A new or relocated Liquor Primary establishment may be located on the same site as a hotel or community recreational use (such as an arena or golf course) subject to adequate access and parking being provided in accordance with Township Bylaws and Policies.
- 5.5 Notice of Liquor Licence applications received pursuant to Section 4.2 must comply with:

- 5.5.1 all applicable Township bylaws including, but not limited to the following bylaws as amended from time to time:
  - 5.5.1.1 Fire Prevention Bylaw 2013 No. 4956;
  - 5.5.1.2 Langley Building Bylaw 2008 No. 4642;
  - 5.5.1.3 Licencing Bylaw 2016 No. 5192;

  - 5.5.1.5 Subdivision and Development Servicing Bylaw 2011 No. 4861;

  - 5.5.1.7 Zoning Bylaw 1987 No. 2500;

- 5.5.3 Crime Prevention Through Environmental Design (CPTED) criteria;
- 5.5.4 requirements and conditions imposed by Council in connection with:
  - 5.5.4.1 the approval of a zoning or official community plan amendment bylaw;
  - 5.5.4.2 the issuance of a development permit, development variance permit, or building permit; or
  - 5.5.4.3 the application review process outlined in this Section 5; and

## **6. Comments and Recommendations Provided to the LCLB**

- 6.1 Comments provided to the LCLB in respect of a Liquor Licence application must be in writing and must include:
  - 6.1.1 the Township's views on all of the following matters:
    - 6.1.1.1 the impact of noise on the community in the immediate vicinity of the establishment, unless Section 6.1.1.2 or Section 6.1.1.3 applies;

- 6.1.1.2 in the case of an application that involves a temporary use area endorsement, the impact of noise on the community in the immediate vicinity of the proposed locations of event sites under corresponding temporary use area authorizations;
  - 6.1.1.3 in the case of an application that involves a lounge or special event area endorsement, the impact of noise on the community in the immediate vicinity of the location of the service area under the endorsement;
  - 6.1.1.4 the general impact on the community;
  - 6.1.1.5 if the application is to amend a Food Primary Licence to extend the hours of liquor service past 1:00 A.M., or to allow entertainment that involves patron participation in a service area, whether the amendment may result in the service area being operated in a manner that is contrary to section 18(1)(a) of the Regulation (which states that the primary purpose of the business carried on in the service area when liquor is being sold or served must be the service of food); and
- 6.1.2 the views of Township residents on the application and a description of the method used to gather those views.
- 6.2 Recommendations provided to the LCLB in respect of a Liquor Licence application must be in writing, must specify whether the application should be approved or rejected, and must include the reasons on which they are based.
- 6.3 The Township must give the LCLB its comments and recommendations in respect of a Liquor Licence application within 90 days after it receives notice of the application, or within any further period authorized by the LCLB.

**Re: CAMP Beer Company Brewery Manufacturing Licence and Lounge Endorsement**

**LETTER OF INTENT**

To whom it may concern

The CAMP Beer Company is a small neighbourhood brewery servicing primarily people within a 15 minute drive of the location. The address is 19664 64th Avenue near Willowbrook Shopping Centre.

We will however, encourage people from neighbouring communities and tourists to Langley and the Fraser valley to visit. We hope our unique location and quality product will continue to promote the craft tourism industry within Langley and be an added asset to the community.

The purpose of the lounge endorsement is to provide a relaxed and casual environment to watch and learn about the unique processes of the craft beer industry while enjoying a small batch, local craft beverage. The space will be open and inviting with an outdoorsy recreational vibe.

This is in a primarily commercial district with commercial enterprises to the east, south and west. There is residential to the north but we are on the south facing side of our building and there are other businesses and 64th avenue between us. Most of the surrounding business operates primarily during the day and our impact to them should be minimal.

The potential for noise should also be considered minimal. The brewery itself does not generate much noise and the number of guests limits the potential for noise more than at loud conversational levels. There will be music being played, but as a background and at a level to not drown out conversation.

On occasion there may be live music, but this would consist of a small group of local artists and be concluded by 11:00 PM.

The total indoor square footage is 2500 of which 780 is designated for the tasting room. There is also a 1300 square foot outdoor patio. Inside there are 4 bathrooms, one of which is handicap accessible.

The primary food offerings will be prepared by the restaurant next door. Other mason jar style snacks will also be provided.

Non-alcoholic beverages will be available and consist of kombucha and flavoured craft sodas.

This is a brewery first and a gathering location for locals to enjoy a few glasses of craft beer.

The patio area will provide an area to unwind and enjoy a cold beverage on nice days. This is a family friendly environment and children accompanied by adults will be a common occurrence. There will be picnic style seating and the area will be enclosed by a 6' fence and year round landscaping. There will be a small gas fire pit structure and games of bean bag toss, giant Jenga and cards.

We believe the CAMP Beer Company will have a positive effect on the community and provide a gathering place for locals. Surrounding business should only benefit and we will strive to be an asset to the area. Our initial feedback on creating another small craft brewery in the area has been very well received and the excitement has been very encouraging.

For any questions, please do not hesitate to contact us for more information.

Warmest regards

Complete the following if your proposed endorsement(s) includes a patio(s).

1. Describe the height and composition of the patio perimeter or bounding (i.e. railings, fencing, planters, hedging, etc.). A patio must be defined and bounded by physical separation in order to control patrons and liquor within the service area.

THERE WILL BE A 6' METAL FENCE AROUND THE PATIO PERIMETER, WITH AN 8' WIDE LANDSCAPING BUFFER BEYOND THAT.

2. Describe the location based on the endorsement type:

- a. Lounge – may be a standalone patio on the manufacturing site. If there is an interior lounge area, the patio must be adjacent to the interior lounge.

- b. Special Event Area – may be a patio attached to the manufacturing building or on-site store.

THERE IS AN INTERIOR LOUNGE AREA ADJACENT TO THE MANUFACTURING AREA WITH A MAIN ENTRANCE AND ROLL UP DOOR TO THE PATIO.

3. Describe how staff will manage and control the patio from the interior service area or how you will manage and control a stand-alone patio.

ALL CUSTOMERS MUST PURCHASE THEIR DRINKS FROM THE INTERIOR LOUNGE BAR. IN DOING THIS OUR STAFF WILL BE ABLE TO MONITOR OUR PATRONS. OUR STAFF WILL ALSO FREQUENT THE PATIO TO CLEAR TABLES AND MONITOR ACTIVITY.

4. Specify if liquor service to the patio is from: (a) fixed bar located on the patio, (b) portable bar for the patio, (c) licensed interior:

C. FROM THE LICENSED INTERIOR.

5. Do servers have to carry liquor through any unlicensed areas to get to the patio? Explain:

NO

**Note:** Patios on grass, earth or gravel require a permit from the local Health Authority. Sidewalk patios require a permit from LG/FN.

Dear Sir:

**Re:** Land-Use Amendment Rationale to allow Manufacturing (Brewery) at  
19664 64 Avenue, Langley, BC

---

The purpose of this letter is to address items 3, 4, 5, 6 of the File Review Letter dated October 23, 2018.

## **PROJECT OVERVIEW**

Aplin Martin, on behalf of CAMP Brewing Co., submitted an application for a Community Plan amendment, Zoning Bylaw amendment and Land Use Contract (LUC) discharge for property located at 19664 64 Avenue to allow for a manufacturing use (brewery) on the subject site.

The site is 0.54 ha (1.33 ac) and fronts 64 Avenue. The property is at the north-west corner of the Willowbrook Community Plan area, immediately adjacent to the Willoughby Community Plan area. The property contains one 1,623 m<sup>2</sup> (17,500 sq.ft) commercial building and is primarily surrounded by surface parking.

The commercial building was once a Bingo Palace and has an approved Building Permit to undergo building envelope upgrades. Roughly 75% of the existing building is proposed to maintain the commercial land-use (restaurant and office). A brewery and tasting room is proposed at the south-west corner of the existing building. Brewing is considered a manufacturing use and therefore a Zoning Bylaw, a Community Plan amendment, Zoning Bylaw amendment discharge has been triggered.

### **CAMP Beer Company Brewery Lounge Endorsement (Item 6)**

#### *The Team*

The CAMP Beer Company (CAMP) is a small neighbourhood brewery looking to create a community gathering space in Willowbrook.

The CAMP team is:

- Kevin Larsen, Owner and Operations Manager. Kevin brings experiences from varied management roles within the beverage manufacturing industry.
- Jamie Schreder, Owner. Local Langley business owner and very active in the community, and with local charities.
- Dave Henry, Head Brewer. Dave brings multiple years experience as an award-winning home brewer.

The Core Values of the company is based on *Passion for all that is craft*. According to CAMP, it is not the beer that brings us together but a desire to create and share something local and uniquely Langley. CAMP plans to brew the best beer and build an environmental inviting, lasting and important to the neighbourhood.

See Appendix I Letter of Intent from the Co-Founders of CAMP Beer Co.

#### *The Lounge*

The applicant seeks a Brewery Lounge Endorsement. The lounge / tasting room is proposed to be 116 m<sup>2</sup> (1,250 sq.ft.) with a 124 m<sup>2</sup> (1,334 sq.ft.) patio. See Appendix III – Equipment Plan. The patio of the proposed tasting room faces south towards other commercial designated uses away from the adjacent residential use.

The lounge will be in operations from 10 am – 12 am. The occupancy of the Tasting Room is 110 persons, specifically:

- 49 tasting room customers;
- 55 patio customers;
- 6 staff members.

Liquor distribution is not proposed as part of this application. Small-scale purchases (growler fills and bottle purchase), is proposed.

#### *The Brewery*

The brewery will be small in size, with only 3, 15 barrel brew tanks proposed. The brewing operation consists primarily of stainless-steel holding tanks and kettles and is a very clean and contained operation. The only notable brewing odours are derived from steeping of grain which occurs for roughly one hour on brew days. The smell is like that of bread rising. Brewing would occur 1 - 2 days per week dependent on demand and will be completed in the mornings. Any boil vapours will be condensed and directed into onsite drains and therefore will not escape the building. No outdoor storage of equipment will be permitted.

There are no distribution plans for the brewery and no outgoing product therefore there will be very little loading activity. Incoming deliveries are expected in the late morning and would be very limited to brewery supplies once every several months.

#### **Willowbrook Community Plan Amendment (Items 3 + 5)**

The subject site is designated as “Regional Commercial” in the Willowbrook Community Plan which permits retail and office commercial uses. This designation does not include manufacturing or light manufacturing uses which characterizes brewing. Although brewing is not specifically permitted in the Willowbrook Community Plan, we believe that the proposed use fits the spirit of the “Regional Commercial” designation.

Section 3.3.2 states: *Commercial areas on 200 Street between 64 and 66 Avenues are intended to be planned and designed as an integrated development.*

The proposed site plan will fit into the context of the surrounding buildings. The proposal is to retain all tree buffers along 64 Avenue as well as provide additional tree planting between the existing parking stalls. The existing commercial building has an approved Building Permit and is currently undergoing building envelope upgrades which will dramatically improve the exterior of the building from what was once a Bingo Palace. The new cladding will be a welcome improvement to the building and will help elevate the aesthetic of the whole commercial block.

According to Section 1.3: *Retail and service commercial activities are encouraged to locate in the southern part of the plan area to concentrate commercial activity and*

*contribute to the development of a regional centre. And The northern portion of the plan area will be developed for residential uses, including multi-family housing.*

The proposed brewery is located at the edge of the commercial designation immediately adjacent to the residential uses on the north side of 64 Avenue and provides an appropriate transition between the two land uses. The brewing has very low loading, trucking and parking requirements when compared to other commercial uses (such as assembly hall, child care or medical clinics). Brewing will be quiet, odours from vapour will be condensed and contained, and there will be no outdoor storage permitted, ensuring the brewery is a good neighbour to the adjacent multi-family housing.

The tasting room associated with the brewery will serve as a community gathering space within walking distance of hundreds of homes in Langley and Surrey. The intention of CAMP is to create a relaxed and family-friendly environment with picnic style seating, small gas fire pit structure and games of bean bag toss, giant Jenga and cards.

#### **Zoning Bylaw Amendment and Land Use Contract Discharge (Item 4)**

The application proposes to discharge Land Use Contract 74 from the property. Should the LUC be discharged, the property would be governed by the site's underlying zone C-1 (Regional Commercial). Brewing is not currently a permitted use and therefore the applicant proposes to amend the C-1 zone to permit brewery use for the portion of the building proposed for brewing. The brewery use encompasses 116 m<sup>2</sup> (1,250 sq.ft.) of the total site area. We assume 1 parking spaces per 186 m<sup>2</sup> of gross floor area for the manufacturing component of the brewery. See Appendix II - Site Plan & Parking Plan.

We trust that this letter provides sufficient information related to amendment required to allow brewing on the subject site. Please feel free to contact the undersigned if there are further questions or comments.

RE: 08-10-0056/Jackpot Properties  
 Civic Address: 19664 - 64 Avenue

Good afternoon Mr. Joel Nagtegaal,

I have had a chance to review the site plans for Project: 08-10-0056/Jackpot Properties Ltd.

The areas that I would want consider are the following:

- Type of neighbourhood
- Where is the Access/Egress into the establishment?
- Is their enough parking?
- Where is the patio located?

#### **North Side**

- Access/Egress location into the establishment, should be easily accessible.
- Name of Business and Address should be high enough that it can't be tampered with and it should also be clearly visible from the roadway.
- Natural surveillance onto the establishment should have clear site lines onto property.

#### **South Side**

- Patio to be located at the south side of the building. The only Concern I have is what time is the patio open till and will the noise affect the residents that live on the North side of 64th Avenue.

#### **East Side**

- Parking lot should have proper lighting and should have illuminated walkways.
- ICBC can provide signage for the lamp posts in the parking lot, informing customers not to leave valuables in their cars.

#### **West Side**

- High resolution security cameras and proper signage, should be added throughout the property to enhance security.
- LED lighting should also be added throughout the property.

These suggestions will contribute to the overall safety and security of the property. However, they do not guarantee that crime will never occur at or on your property. Comments and recommendations made during the security assessment or

in the above report done by the Township of Langley and or the RCMP are not a guarantee for the safety and/or security of the inspected property. The report author, the Township of Langley, the Government of Canada and the RCMP employees are not responsible for the damages of loss suffered by the property owners or residents following this security assessment.

The only notable brewing odors are derived from the steeping of grain which occurs for roughly one hour on brewing days. Brewing would occur 1 - 2 days per week dependent on demand and will be completed in the mornings.
Road Dedication	No additional dedication along 64 <sup>th</sup> Avenue is required by the Township.
Fencing	The owner is willing to erecting a 4-6 ft. fence along the south property line, as suggested by the neighbor. This is subject to Township Staff review and consideration for CPTED standards

# Sleep out aims to help homeless youth

Joseph Richard Group is fundraising for the second annual sleep out to support Covenant House and Youth Unlimited

**MIRANDA FATUR**  
Times Reporter

A local business is teaming up with Covenant House to fundraise for the second annual Joseph Richard Group sleep out in support of Lower Mainland youth who are homeless or at-risk.

After the success of last year's first JRG Sleep Out, which raised more than \$116,000, the organization is partnering with the Covenant House Vancouver and Youth Unlimited.

CEO and co-founder of JRG, Ryan Moreno, said the annual event is intended to 'inspire other businesses, organizations and people within our

communities to get involved.' "Last year, we felt that together we could make a larger impact and encourage our guests and everyone in the Lower Mainland to get behind us and support Covenant House."

JRG is a hospitality organization that was founded in 2009. Covenant House Vancouver provides safe housing and services for homeless and at-risk youth in Vancouver.

Funds raised for the Covenant House go toward helping those who have fled physical, emotional and sexual abuse, have been forced from their homes, or have aged out of foster care.

Youth Unlimited helps vul-

nerable or marginalized youth in Greater and Vancouver and the Fraser Valley to discover their potential through various support programs.

JRG employees, friends, family and local community participants are invited to join the sleep out to help reduce the number of youth who are forced to sleep on the streets.

The JRG's sleep out takes place on Nov. 5 from 8 p.m. to 7 a.m.

Participants will sleep at the parkade located at Grandview Corners adjacent from S+L Kitchen at 16051 24 Ave. in Surrey. For more information or to sign-up, contact Jared Harman at 604-561-5573 or by e-mailing j.harman@jrg.ca.

# Langley is invited to have coffee with a cop

Traffic cops happy to answer any questions

MIRANDA FATUR  
Times Reporter

A pair of Lower Mainland traffic cops are taking a coffee break with the community.

On Thursday, Nov. 1, RCMP Sgt. Lorne Lecker and Sgt. Roland Pierschke will be at the McDonald's restaurant at 20037 84 Ave., from 1 p.m. to 3 p.m. for the Coffee with a Traffic Cop event.

As they sip coffee, Sgt. Lecker and Sgt. Pierschke will be available to answer drivers' questions regarding traffic rules, regulations and policies.

"This is an opportunity for us to get

together with the public in a completely informal setting over a cup of coffee and give them the opportunity to ask us any questions they have about traffic enforcement, traffic collision investigation, impaired driving, anything that might be on their mind that they would want to ask a traffic cop," said Sgt. Lecker.

The officers expect to get questions about driving under the influence, since changes will be made to provincial and Criminal Code enforcement now that marijuana is legalized.

"Everything is going to come in stages and right now it's stage one. Criminal laws aren't changing until later in the year so

Another hot topic the cops predict will come up in conversation is the difference between laws in Canada and the United States. Sgt. Lecker said American television often leads people to assume the same rules exist in Canada.

"In Canada, we have the authority to stop any vehicle at any time. In the United States, you do need a specific reason to stop a car," said Sgt. Lecker.

And if someone asks a question for which they don't have an answer on the spot, they promise to find one.

"Come on up, say hello, and ask us any questions," said Lecker.

we still have a lot of unknowns about how things are going to work out," said Sgt. Pierschke.

Sgt. Lecker referred

to impaired driving as a 'vicious circle.' "When you get impaired, the first thing that is affected is the ability to make that

I think this is a great concept. Having something like this within walking distance of so many homes is fantastic. There are not enough gathering places for our growing community. This fills a gap we didn't even know was there.
Kudos to the people bringing us local "home-brewed" goodness.

## Proposed Brewery and Tasting Room at 19664 64th Avenue, Langley, BC

Please provide your comments on this proposed development. There is additional writing room on the back.

Langley needs a place like this. There are not a lot of unique places to go. Everywhere you look there is a chain restaurant. Looking forward to being able to go somewhere new.

This is GREAT. Langley desperately needs additional Food + Bev establishments. The location being clustered with Townhall + near trading post could not be better.

Please make this happen. ☺

We really need more of this in our neighborhood! I love the brewery and restaurant idea. This is a much needed additional brewery!
