#### **C. PRESENTATIONS**

**D. DELEGATIONS****D.1 Marina MacLean  
File 0550-07**

Marina MacLean appeared before Council to request a traffic signal be installed at the intersection of 216 Street and 90 Avenue to increase community safety and lessen the risks posed to members of the community. She stated that statistics obtained from ICBC indicate that over 130 crashes have occurred between Telegraph Trail and 96 Avenue between 2013 and 2017. She further commented that traffic control at the intersection of 216 Street and 90 Avenue is urgently needed to increase community safety, as requested through this delegation and a 250 signature petition to the Township of Langley.

**D.2 Laura Ballance  
File 0550-07**

Laura Ballance appeared before Council to discuss lighting issues on McBride Street in Fort Langley. She commented that the street is home to a 52 unit complex, an eight unit complex, and two single family homes, and that the lighting and paving have never been addressed. She requested that the lane next to Fort Langley Hall be re-paved, and that the lighting be upgraded.

**L. ITEMS BROUGHT FORWARD FOR PUBLIC INFORMATION FROM SPECIAL CLOSED MEETINGS****M. OTHER BUSINESS****M.1 Brookswood-Fernridge Community Plan**

Moved by Councillor Woodward,  
Seconded by Councillor Richter,  
Whereas at the October 23, 2017 Regular Evening Meeting of Township Council, Council carried a motion 7-2, with Cllrs Richter and Arnason opposed, directing staff to simultaneously commence and accelerate completion of three Brookswood-Fernridge neighbourhood plans: Booth, Rinn and Fernridge;

Whereas with many important issues still to resolve, and extensive public and stakeholder consultation needed, quality, consensus-driven neighbourhood planning will take time;

Whereas acceleration and simultaneous adoption of multiple neighbourhood plans did not occur in Willoughby as has been directed for Brookswood-Fernridge;

Whereas many residents of the Brookswood-Fernridge area remain concerned about the pace of development and missing infrastructure in Willoughby repeating itself within the undeveloped areas of Brookswood-Fernridge;

Whereas many residents of the Brookswood-Fernridge area remain concerned about aquifer protection, the lack of an economically-viable plan for significant tree canopy preservation, mobile home park resident displacement, and creating a major roads crisis in Brookswood-Fernridge

as we now have in Willoughby; and

Whereas the Brookwood-Fernridge Community Plan as adopted states very clearly in Section 9.1 Page 50, "Growth and change in Brookwood-Fernridge should proceed in phases based on neighbourhood plan areas," and that this is inconsistent with separate direction to staff to accelerate and simultaneously complete three neighbourhood plans;

Therefore be it resolved that staff be directed to focus on completing one neighbourhood plan at a time starting with Booth or Fernridge, with as much time and public consultation as is required to achieve consensus among the community's residents and major stakeholders, as much as can reasonably be achieved.

#### AMENDMENT

Moved by Councillor Woodward,

Seconded by Councillor Richter,

That the Fernridge Neighbourhood Plan be completed first within 18-24 months, Booth Neighbourhood Plan within 24-30 months, and Rinn Neighbourhood Plan within 36 months.

#### MAIN MOTION

The question was called on the Main Motion, and it was

DEFEATED

Mayor Froese and Councillors Davis, Ferguson, Long, and Whitmarsh opposed

Councillor Richter provided the following Notice of Motions for consideration at the next Regular Evening Meeting:

#### **M.2 Rezoning Application No. 100163, Shepherd of the Valley Lutheran Church**

Whereas significant concern was expressed at the public hearing regarding access to the Shepherd of the Valley Lutheran Church property from 72 Avenue;

Whereas there does appear to be boulevard land available to use for an eastbound left-hand turning lane from 72 Avenue on to the church property;

Therefore be it resolved that Council review the property access requirements of Rezoning Application No. 100163 in order to add an eastbound left-hand turning lane from 72 Avenue to 20097-72 Avenue.

**M.3 Censure of a Councillor**

Whereas censure of a council member is the ultimate legal tool a Council has to reprimand a Council member;

Whereas reprimand of a council member should always be a matter taken under full consideration of all the facts and not a matter of retribution;

Whereas a simple majority of Council can abuse the importance and significance of the censure tool;

Therefore be it resolved that Langley Township Council revise it's Procedure Bylaw to require a minimum two-thirds majority of council members (currently seven of nine members) to agree on and approve any future censure motions of its members; and

Be it further resolved that should Council proceed on a censure motion, the council member being censured be indemnified as they will be incurring legal fees in defense of their role and actions as a council member.

Councillor Davis provided the following Notice of Motion for consideration at the next Regular Evening Meeting:

**M.4 Monster Houses on ALR Land**

Be it resolved that Council direct staff to look at the City of Richmond resolutions in regards to monster houses on ALR land and report back to Council.

**M.5 Marina MacLean and Laura Balance Delegations**

Moved by Councillor Long,  
Seconded by Councillor Whitmarsh,  
That the delegation from Marina MacLean regarding a signal at the intersection of 216 Street and 90 Avenue, and the delegation from Laura Balance regarding lighting issues on McBride Street, be referred to staff.  
CARRIED

Councillor Arnason provided the following Notice of Motion for consideration at the next Regular Evening Council meeting:

**M.6 Affordable Housing**

Whereas access to affordable housing has become a crisis in the Lower Mainland and beyond; and

Whereas a number of agencies and a variety of senior governments have developed policies and strategies to facilitate the delivery of more affordable housing at the municipal level; and  
Whereas, local governments have the relevant jurisdiction and authority to administer policies with respect to the provision of affordable housing initiatives; and

Whereas the BC Non Profit Housing Association created a Pledge for 2018 local government candidates further to a comprehensive framework which includes:

1. Contribution of public lands to the community housing sector for new affordable homes,
2. Protection of existing affordable housing supplies through retention and replacement policies,
3. The zoning of existing and new rental developments as a rental only,
4. Streamlining municipal permitting and rezoning processes to fast-track development of affordable rental housing, and
5. Pursuit of partnerships with local nonprofits, cooperative and other stakeholders in the community housing sector to create new affordable housing developments;

And whereas the majority of newly elected Township Councillors showed support for affordable housing by signing the Pledge in order to enhance affordable housing opportunities and options within the Township;

Therefore be it resolved that Council refer these items to staff for a detailed report back on the adoption and implementation of these initiatives, to be delivered at a future CPC meeting.

**N. TERMINATE**

Moved by Councillor Davis,  
Seconded by Councillor Long,  
That the meeting terminate at 8:45pm.
