MAYOR'S OFFICE

Dear Mayor Froese and Township of Langley Council:

Re: Community Fundraising Events - Partnership

Township of Langley Firefighters and IAFF Local 4550 believe in giving back to our community. Throughout the year, we raise money and awareness for several charities and we are always looking at new and innovative ways to provide funding that will allow local organizations to make a difference for those in need.

With the success of the inaugural Mayor's Charitable Gala in 2018, Township of Langley Firefighters, in conjunction with the IAFF, are requesting that we embark on a cooperative partnership with the Mayor's Office and initiate work on Mayor's Charitable Galas that will be held throughout the term, on an annual basis, from 2019 to 2022.

These fundraising events promise to be exciting evenings of activities, food, entertainment, and opportunities for the community to raise funds that will go to specific local charities and foundations. For the 2019 gala, we propose that the majority of the proceeds go to the Langley Hospice Society, to help build a new 15-bed hospice residence at Langley Memorial Hospital.

Our firefighters look forward to working with the Township of Langley's Mayor's Office to host memorable joint events that will support our local charities and benefit residents for years to come.

Sincerely,

Andy Hewitson
President, Township of Langley IAFF Local 4550
