Subject: Child care in Township of Langley - Motion

Dear Mayor and Councillors,

Thank you very much for the opportunity to make a delegation to Council on January 21st, highlighting child care issues in Langley and across BC, and the successful \$10aDay plan.

In case it is useful, here is a sample motion of support used by other organization and councils:

The \$10aDay Child Care Plan has the potential to make a real difference for BC children, women, families and the economy. We, XXXX, urge the provincial government to continue working with communities to implement a quality affordable child care system for BC.

The Township of Langley would be the 52nd local government in BC to pass such a motion.

It would be my pleasure to provide any further information that staff or Council would like to consider.

All the best,

Sharon Gregson
