

“Rail Safety Week is an important opportunity for CP to highlight how to be safe around tracks and trains. CP Police Service will be working with the public to educate them about the dangers of unsafe behaviour around the railway. Train incidents are preventable and rail safety must be an on-going priority each and every day. Together, we can build safer communities,” said Al Sauve, Chief of CP Police Service.

The strong commitment of municipalities like yours continues to have a significant impact on community awareness, helping to reduce avoidable accidents, injuries and damage caused by collisions between trains and vehicles or pedestrians. Together with other communities, railways and members of the public, your support this year will go a long way towards making Canada’s rail network even safer.

CP greatly appreciates your participation in Rail Safety Week. We welcome any information about your plans to promote rail safety this year.

Sincerely,

Mike LoVecchio
