Bylaw 2016 No. 5235 to rezone a 3.7 ha (9.1 ac) property located at 20146 – 100A Avenue to Comprehensive Development Zone CD-112 to allow production studio uses, subject to payment of applicable supplemental Rezoning fees; and further

**That** Council authorize staff to schedule the required public hearing for Rezoning Bylaw No. 5235.

**EXECUTIVE SUMMARY:**

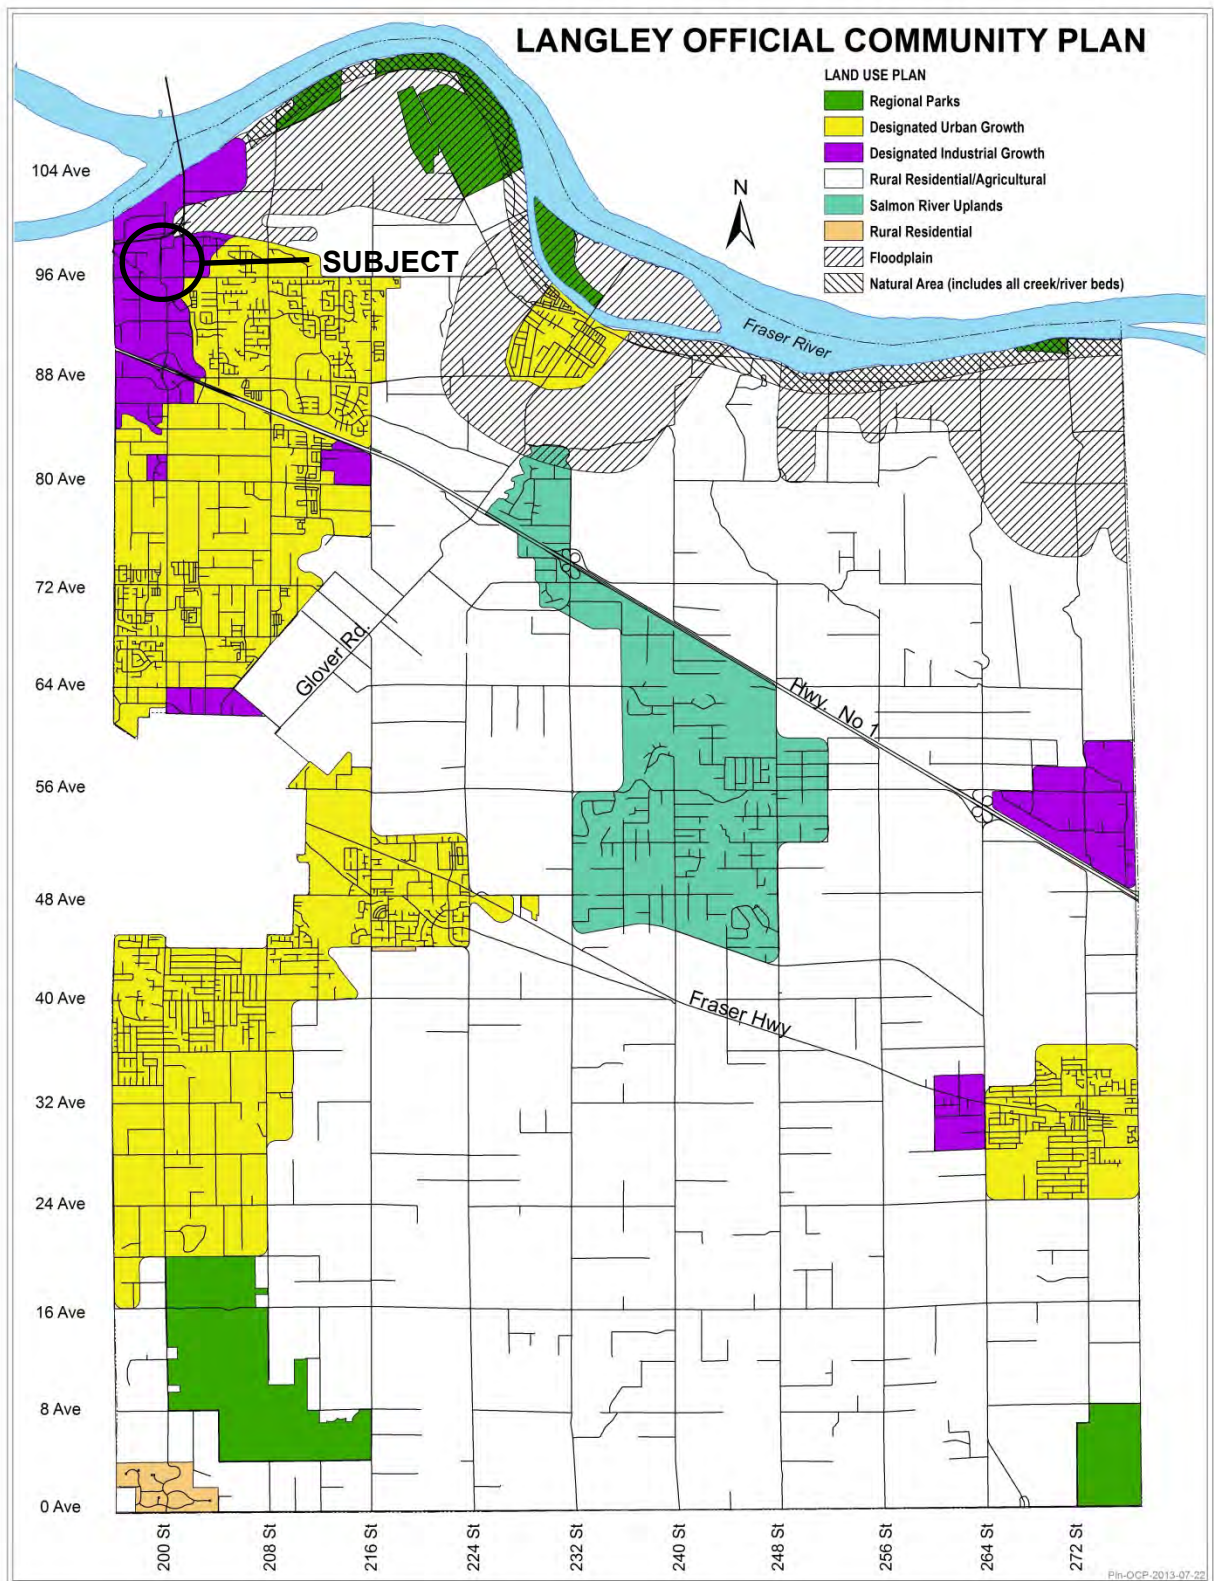

Austeville Properties Ltd. has applied to rezone a 3.7 ha (9.1 ac) property located at 20146 - 100A Avenue from Heavy Industrial Zone M-3 to Comprehensive Development Zone CD-112 to allow production studio uses in addition to existing M-3 Zone uses.

The proposed amendments are consistent with the Township's overall industrial development objectives as outlined in the Official Community Plan.

**PURPOSE:**

The purpose of this report is to advise and make recommendations to Council with respect to Rezoning Bylaw No. 5235 in the northwest Langley industrial area.

<b>Legal Description:</b>	Lot 1 District Lot 124 Group 2 New Westminster District Plan LMP2323
<b>Location:</b>	20146 – 100 Avenue
<b>Area:</b>	3.7 ha (9.1 ac)
<b>Existing Zoning:</b>	Heavy Industrial Zone M-3
<b>Proposed Zoning:</b>	Comprehensive Development Zone CD-112
<b>Official Community Plan:</b>	Designated Industrial Growth

#### **BACKGROUND/HISTORY:**

In July 2015, Township of Langley Bylaw No. 5109 (Zoning Bylaw 2015 Update) updated and clarified the Township's Zoning Bylaw in accordance with current administrative practice and Council policy changes. As a result of this bylaw, changes were made to the Township's Zoning Bylaw to accommodate filming operations by adding the term "production studio" as a permitted use in Service and General Industrial Zones. Currently heavy and site specific industrial zones do not accommodate production studios.

#### **DISCUSSION/ANALYSIS:**

The subject 3.7 ha (9.1 ac) site located at 20146 – 100A Avenue is zoned Heavy Industrial Zone M-3 and is located in the Industrial Growth designation of the Official Community Plan in the northwest Langley industrial area. The subject site contains a large industrial building which was previously occupied by a wholesale plumbing business and a clothing distributor. Surrounding uses include:

North:	100A Avenue, beyond which are three properties zoned Heavy Industrial Zone M-3 containing multi-tenant industrial buildings;
South:	Canadian National Railway, beyond which are several residential properties on 98A Avenue zoned Rural Zone RU-1 and a property containing a multi-tenant building zoned Service Industrial Zone M-1A;
East:	A property zoned Heavy Industrial Zone M-3 containing the Costco Distribution Centre; and
West:	201 Street, beyond which is an on-ramp for the Golden Ears Bridge.

The Township has received an application for a site specific rezoning for the subject property to allow for the addition of production studio uses to the currently permitted Heavy Industrial M-3 Zone uses.

Given that Service Industrial Zones M-1A, M-1B and General Industrial Zones M-2, M-2A, M-2B allow for production studio uses, the applicant is requesting to add production studio to the uses permitted on the subject site, in addition to retaining uses allowed in the current Heavy Industrial M-3. The subject site is also located in close proximity to M-1A and M-2 zoned sites to the south that allow production studio uses as a permitted use, providing for land use compatibility with these sites while retaining M-3 permitted uses consistent with properties to the north, east and west.

The following is an excerpt from the applicant's rationale (Attachment A) regarding the proposed zoning change to allow production studio uses in conjunction with the existing Heavy Industrial uses:

*"Austeville seeks a change in the current zoning of M-3 to a Comprehensive Zone that will retain all M-3 industrial uses but also allowing studio uses. Currently the Township of Langley allows film production in other industrial zones including M1-A, M1-B, and M-2 and Austeville would like Lands in this case to also be able to entertain the added use of film production in the list of allowable land uses."*

#### **Proposed Zoning Bylaw Amendment:**

Bylaw No. 5235 proposes to rezone the site to a new Comprehensive Development CD-112 zone in order to accommodate the proposed production studio use. The new CD-112 zone is based on the Heavy Industrial M-3 zone, with production studio added as a permitted use.

#### **Official Community Plan:**

The Township's Official Community Plan (Section 4.4) outlines the following objectives for industrial development:

- To promote and encourage diversified industrial development in Langley
- To ensure industrial development occurs in a manner which maintains an amenable environment within the development, as well as maintaining desirable aesthetic and natural environments that are shared with surrounding areas.

The proposed rezoning is consistent with the objectives noted above.

#### **Public Information Meeting**

Given the application's consistency with the Township's Official Community Plan and its compatibility with industrial uses, the requirement for the applicant to hold a public information meeting pursuant to Section 3.1 of the Developer Held Public Information Meeting Policy has been waived. Staff note that should Council advance the subject application, a Public Hearing will be required with notification including newspaper advertisement, mail-outs, and on-site signage consistent with Provincial statute as well as Township bylaws and policy.

#### **Servicing:**

As full urban services exist to the subject site, there are no servicing related requirements for this rezoning application.

#### **POLICY CONSIDERATIONS:**

The proposed development is located in an area designated "Industrial Growth" in the Official Community Plan. The proposal is consistent with the overall objectives of the Township's Official Community Plan. Accordingly, staff recommend that Council give first and second reading to Bylaw No. 5235 and authorize staff to schedule the required public hearing.

Dear Ms. Sandher,

**Re: 20146 100A Ave., Langley, BC – Comprehensive Zone Amendment – Letter of Intent**

Austeville Properties Ltd. ("Austeville") is the owner of the lands and building located at 20146 100A Avenue in Langley (the "Lands") and has entered into a lease with Adjacent Productions Services Inc. to use the Lands for film production. Austeville seeks a change in the current zoning of M3 to a Comprehensive Zone that will retain all M3 industrial uses but also allow studio uses. We are aware that the Township of Langley currently allows film production in other industrial zones including M1A, M1B, and M2. Austeville would like the Lands in this case to also be able to entertain the added use of film production in the list of allowable land uses.
