B. DELEGATIONS

1. Reed Poynter On Behalf of Barrier-Free BC File 0550-07

Reed Poynter, on behalf of Barrier-Free BC, appeared before Council to request support of Barrier-Free BC's campaign to enact a British Columbians with Disabilities Act. He discussed the support he received throughout his life with his visual impairment. He noted that volunteers representing Barrier-Free BC are in the process of meeting with provincial/municipal leaders and Councils to present the background, structure, and details of the "Just Say Yes" campaign. A British Columbia Disability Act would regulate provincial organizations ie. health services, education, provincial transportation, and guide dogs. He asked Council to pass a motion endorsing the Barrier-Free BC Campaign to encourage the Province to enact a strong and effective British Columbians with Disabilities Act.
