She further suggested changes to exterior siding requirements, window wells, overplanting landscape areas, and also reducing the municipal approving process from three to two years. The following recommendations were provided:

K. METRO VANCOUVER REPRESENTATIVES REPORT**L. ITEMS BROUGHT FORWARD FOR PUBLIC INFORMATION FROM SPECIAL CLOSED MEETINGS**

L.1 Field Naming Request at Aldergrove Athletic Park

M. OTHER BUSINESS**M.1 Seniors Village Development**

Moved by Councillor Arnason,
Seconded by Councillor Richter,
Whereas manufactured home parks provide a unique and affordable residential opportunity within the community, especially for older adults, but resident's tenure is undermined by a lack of security by third party property ownership and changing market conditions;

Whereas the redevelopment of existing manufactured home parks creates housing insecurity;

Whereas the Township of Langley Housing Action Plan adopted by Council in 2013 identifies a short term objective of enhanced consideration with respect to the redevelopment of manufactured home parks, to include an array of affordable options;

Whereas it is necessary and desirable to ensure that seniors have a range of opportunities upon rezoning and redevelopment further to the Township of Langley's Manufactured Home Park Council Policy No. 07-121; and

Whereas these opportunities should either equal or approximate the lifestyle and relative economic framework derived from a manufactured home park;

Therefore be it resolved that Council direct staff to review the recent changes to the Brookwood Fernridge OCP in order to provide concrete options for a future Council's consideration, for the siting of a seniors village development component either on Township owned or private lands, to be advanced with financial partnering with senior levels of government and community amenity charges in order to build affordable housing for our most vulnerable residents, such as those who may be displaced by the redevelopment of any existing manufactured home park.
CARRIED

M.2 New Hospital in the Township of Langley

Moved by Councillor Arnason
Seconded by Councillor Davis,
Whereas the Township of Langley is currently the fastest growing community by population in Metro Vancouver;

Whereas the Township's population grew by 12.6% between 2011 and 2016 according to census data and that population increase is anticipated to remain at 3% or more annually for the foreseeable future;

Whereas the Township is increasingly approving higher buildings with intensified density which includes approved and potential high-rise developments which will add significantly more residents over the next few years;

Whereas Langley Memorial Hospital is an aging institution with a limited footprint which is currently capable of only of incremental upgrades to meet current demand; and

Whereas good public policy requires that local governments work collaboratively with senior levels of government in order to ensure the health and safety of local residents and access to adequate local health care in a timely manner;

Therefore be it resolved that Council direct staff to correspond with the Ministry of Health and Fraser Health Authority senior executives in order to outline our concerns and to facilitate a framework for dialogue and focussed discussions regarding collaboration between our levels of government and the Fraser Health Authority in order to ensure that local development is rationally tied to the ability to provide adequate health care through the construction of a new hospital and/or expansion of existing

facilities and services in Langley Township, or its near vicinity, in the foreseeable future.

CARRIED

M.3 Code of Conduct Bylaw

Moved by Councillor Fox,

Seconded by Councillor Quaale,

Whereas the City of Port Moody has recently adopted (July 24th, 2018) a new 'Code of Conduct' Bylaw for Municipal Council members;

Whereas it is the first of its kind in our province, although modelled after a template used in Alberta; and

Whereas it incorporates mechanisms to hold Councillors accountable including the implementation of informal and formal complaint processes as well as possible sanctions that may be imposed if a complaint is upheld;

Therefore be it resolved that staff review this 'Code of Conduct' Bylaw and report back as to its applicability and legality for implementation in the Township of Langley, noting what its strengths are and what would need to happen for it to become a reality in the Township.

CARRIED

Councillors Arnason and Davis opposed

Council Terms

Whereas Council terms are now four years in length; and

Whereas Council members run with a platform containing ideas, projects, and initiatives they wish to see achieved, and this should be able to be accomplished within a 16 year period of time;

Therefore be it resolved that the Election Bylaw be changed to a maximum limit of four terms.

N. TERMINATE
