P.2 Tree Protection Bylaw

Moved by Councillor Whitmarsh,
Seconded by Councillor Arnason,
Whereas at the Regular Council Meeting of June 14, 2021, Council received a presentation from Catherine Grey, Community Co-Chair, Tree Protection Advisory Committee (TPAC) and Council referred the amendment bylaws proposed by TPAC to staff to provide a report on the implications of the proposed changes to the Bylaw;

Whereas TPAC, in their report to Council and during Catherine Grey's presentation, expressed urgency in the adoption of the amendments to the Tree Protection Bylaw 2019 No. 5478 and associated amendment bylaws; and

Whereas staff have multiple competing priorities and with the current project capacity may be unable to provide the Report to Council in a manner that would ensure the potential adoption of the bylaws prior to July 31, 2021;

Therefore be it resolved that staff be directed that the Report to Council is the priority project and take all reasonable steps necessary to provide Council with the directed report at the July 12, 2021 Regular Council meeting; and

Should the Tree Protection Bylaw 2019 No. 5478 Amendment Bylaw 2021 No. 5712 receive First, Second and Third reading on July 12, 2021, staff be directed to provide a Written Public Input Opportunity with submissions provided to Council prior to the next scheduled Regular Meeting of Council on July 26, 2021 so that Council may deliberate on the amendment bylaw prior to July 31, 2021.

**P.3 Rezoning Application No. 100589
(Neufeld / 5759 - 240 Street)
Bylaw No. 5717
Report 21-68**

Moved by Councillor Richter,
Seconded by Councillor Davis,
Whereas Rezoning Application No. 100589 (Neufeld / 5759 – 240 Street),
Bylaw No. 5717 is a rezoning of 18 ha (44.5 acres) of land located at 5759
– 240 Street to Suburban Residential Zone SR-1 to facilitate a
development consisting of 39 rural single family lots;

Whereas this Rezoning Application involves the removal of 4083
significant trees from the site;

Whereas the loss of 4083 significant trees will have a major impact on the
surrounding rural area in terms of tree canopy loss, wildlife displacement,
and water retention in the area;

Whereas neighbouring properties have the right to be informed of, and to
comment on, potential impacts to their properties of this proposed
development in terms of its impact on the rural character of the area; and

Whereas existing COVID-19 protocols do not require Public Hearings but
those protocols are in the process of being eased due to increasing
vaccination levels;

Therefore be it resolved that Council require a Public Hearing for this
Rezoning Application No. 100589 (Bylaw No. 5717) to allow for maximum
public input; and further

That the Public Hearing be deferred until such time as a full Public Hearing
can be accommodated in-person at the Fraser River Presentation Theatre,
if such a deferral is needed.

P.5 Request for Explanation and Confirmation of RCMP Officer Timelines

Moved by Councillor Woodward,
Seconded by Councillor Richter,

Whereas:

1. The Township of Langley's pace of development and increasing population requires ongoing expansion of its law enforcement capacity;
2. Council has funded an additional fifteen RCMP officers since 2018 and the Township of Langley has received only four; and
3. There are approximately 21 RCMP officer vacancies for the Township of Langley within the Langley RCMP detachment currently, and significant vacancies have persisted for many years;

Therefore be it resolved that Township of Langley request from the Royal Canadian Mounted Police a written summary outlining the following:

A. Reasons for the continuation of significant RCMP officer vacancies and the RCMP's ongoing, apparent challenge to provide the law enforcement capacity needed, requested and funded by Council; and

B. When the current RCMP officer vacancies for the Township of Langley and Langley RCMP detachment will be filled.
