Clerk's Note: Please note that all development prerequisites

listed in the Community Development Division report to Council of December 8, 2014 attached to the Bylaw have been satisfactorily addressed. The Public Hearing for the Bylaw was held on

January 12, 2015 with third reading given on January 26, 2015. In accordance with Council policy, staff advise that the public hearing for the Bylaw was held more than a year prior to the proposed final reading date. Although resolution of the development prerequisite items was on-going and the on-site rezoning signs remained in place, the Bylaw was delayed due to a change of ownership and completion of engineering and dedication requirements with the Ministry of Transportation and Infrastructure. Please place accompanying Development Permit No. 100749 on the same agenda for issuance by Council. Note that the location of the restaurant/retail building has shifted to accommodate required road dedications. Additionally, the colour and materials for one unit in the restaurant/retail building are updated to reflect a proposed tenant. These minor changes are reflected in revised Development Permit No. 100749.
