Secondary Suite Size

Whereas a Housing Needs Assessment for the Township will be coming to Council in Fall 2020;

Whereas Township residents have expressed concern that limiting the size of secondary suites to 90 square metres is too small to meet the full range of current housing needs in the Township;

Therefore be it resolved that Council request staff to include a recommendation as part of the 2020 Housing Needs Assessment on an appropriate secondary suite size to meet the defined range of housing needs.
