Explanation - Bylaw No. 5015

Bylaw 2013 No. 5015 rezones 0.40 ha (0.99 acres) of land located at 7179 - 196B Street to Residential Zone R-1A to permit the subdivision of six fee simple single family lots.

Development Permit No. 100728

That Council authorize issuance of Development Permit No. 100728 (High Quality Homes Ltd. / 7179 - 197B

Street) in accordance with Attachment A subject to the following conditions:

- a. An exterior design control agreement shall be entered into ensuring that building design and site development standards are high quality, consistent and compatible with other lots and development in accordance with the single family development permit guidelines contained in the Willoughby Community Plan.

Clerk's Note: Please note that all development prerequisites

listed in the Community Development Division report to Council of

July 8, 2013 attached to the Bylaw have been satisfactorily addressed. The Public Hearing for the Bylaws was held on September 23, 2013 with third reading given on September 30, 2013. In accordance with Council policy, staff advise that the public hearing for the Bylaw was held more than one year prior to the proposed final reading date. Although resolution of the development prerequisite items was on-going and the on-site rezoning sign remained in place, the Bylaw was delayed due to a change in ownership of the project.
