Remembrance Day Ceremonies

Whereas there are now three well attended Remembrance Day Ceremonies within the Township of Langley;

Whereas these ceremonies and fly overs provide an opportunity for citizens of the Township to honour those members of the armed forces who have sacrificed their lives; and

Whereas each of these ceremonies incorporates a fly over by the Fraser Blues Formation Demonstration Team for which the various ceremony organizers are requested to donate to the team to aid in cost recovery;

Therefore be it resolved that the Township of Langley provide a donation from the Council Contingency fund to the Fraser Blues Formation Demonstration Team to fund the fly overs at the three ceremonies.
