Priority Review for Aldergrove Town Centre

Whereas everyone loves an amazing, fabulous, great idea to help downtown Aldergrove!;

Whereas the revitalization of the downtown Aldergrove core area is a strategic priority for Township of Langley Council;

Whereas a development application for the derelict “Aldergrove Mall” site is imminent, as announced by the proponent; and

Whereas the Aldergrove community has been awaiting revitalization of this part of downtown Aldergrove for many years, with little concrete action;

Therefore be it resolved that Staff are hereby directed to process

the application for the upcoming “Aldergrove Town Centre” at

3100 - 272 Street with priority status, to be reviewed and referred to Council for its consideration as soon as possible, without delay.
