Shared Waters Alliance

That Council receive the presentation by Christy Juteau, Conservation Science Director, A Rocha Canada & Core Team, Shared Waters Alliance, regarding current activities of the Shared Waters Alliance, areas of alignment with the Township of Langley and opportunities to join together with others to enhance collaboration towards better water quality and improved ecosystem health of Boundary Bay and tributaries flowing into it while also advancing reconciliation.

Clerk's Note: Presentation was approved by Council at the
May 31, 2021 Regular Council meeting.
